SUMMARY

Cornell Information Science graduate with experience in UX/UI design, user research, and front-end development. Builds intuitive, responsive digital products through usability testing, Figma prototyping, and hands-on implementation.

SKILLS

- **UX/UI & Research:** Figma, Photoshop, Wireframing, Prototyping, User Interviews/Testing
- **Web & Data:** HTML, CSS, JavaScript, PHP, SQL, SQLite, D3.js
- **Programming:** Python, C, C++, Java, OCaml
- **Prototyping & Delivery:** Fusion 360, Arduino, 3D Printing, Laser Cutting, Project Management, Playtesting

PROJECTS

CornellFit Gym Companion App | UX Designer & Researcher

- Conducted user interviews, competitor analysis, and persona development to identify barriers facing beginner gym users.
- Translated research into Figma flows for equipment education, workout planning, goal tracking, and partner matching.

Room Vision | UX/UI Designer & feed Feature Owner

- Created and tested prototypes through a 4-month HCI process on a 4-person team.
- Built responsive community Feed prototype and improved navigation, icons, and task flows based on usability findings.

Hexcapade! - CO-OP Mobile Game | Design Lead, UI lead

- Designed game UI, item assets, and tutorials in Figma and Photoshop for a 9-person team.
- Managed design deadlines and used playtesting to improve user experience.

Cocktail Enthusiasts Website - Full-Stack Developer

- Built responsive public and admin workflows using PHP, SQLite, HTML, CSS, and Python.
- Implemented authentication, submission, filtering, editing, deletion, and image-upload features.

EDUCATION

Cornell University, Ithaca, NY - Bachelor of Science in Information Science, Systems, and Technology
Graduated May 2026

EXPERIENCE

Cornell University Recreation, Ithaca, NY - Fitness Monitor, August 2022 - May 2026

- Monitored multiple campus fitness centers, enforcing safety standards and university policies.
- Responded to emergencies, coordinated escalation with CUEMS, and supported safe facility operations.

American Eagle, Riverhead, NY - Senior Brand Ambassador, March 2021 - July 2025

- Led and trained associates on opening, closing, merchandising, and customer-service procedures.
- Used sales and traffic insights to adjust merchandise layouts and improve product visibility and store navigation.
